How does the CDA Training Track Work?

KCCTO Support

- Once you begin the CDA Training Track, you will receive by email an **Individualized Professional Development Plan** – a schedule of your courses for the upcoming months.
- As you complete courses you will receive by email an updated running record of your completed courses.
- KCCTO's CDA Resource Specialist will enroll you in all courses. You will receive emailed confirmation of enrollment directly from KCCTO.
- In the event of non-completion of a course, KCCTO's CDA Resource Specialist will advise you of next steps.
- If you choose to obtain your full 120 hours with KCCTO, our goal is to have you complete those hours in about 9 months (training track completion time for individuals paying monthly will vary). Your course schedule can be adjusted to best meet your needs.

How to Be Successful on the CDA Training Track

- Check your email frequently.
- Communicate any changes or concerns with your CDA Resource Specialist.
- Keep track of your upcoming course dates.
- Give yourself enough time to take your courses – the less rushed you are the more meaningful the course content will be!
